<i>Parker Select</i>		
<p>Mahogany, Swamp Ash, Basswood, Maple, Spruce, Poplar - each one with its own distinctive characteristic and each one giving Parker Guitars their inimitable voice and tone. For at Parker, it's all about the wood. It's the synthesis of the finest in man-made technology along with Mother Natures' finest. Great care and craftsmanship is taken in producing every single Parker Guitar that leaves our facility. Parker Select will take this one step further. Ken Parker will see to it that the wood used to make your instrument is not only the best aesthetically, but also the finest tone that the wood has to offer. All Parker Select guitars are available in limited quantities this year - no more than 50 units of each will be shipped in 2001. As a result, please allow adequate lead time for us to complete, inspect and ship your Parker Select order.</p>
